MARBRISA

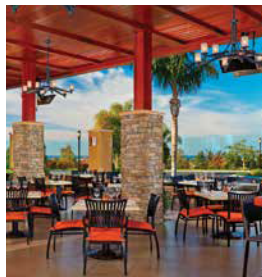

ELEVATED EXPERIENCES

Go above and beyond the theme parks, beaches and coastal scenery of Carlsbad. You can dine, explore, play and create on our 56-acre resort campus and at adjacent attractions. We've put together a few of our favorite activities to make the most of your time.

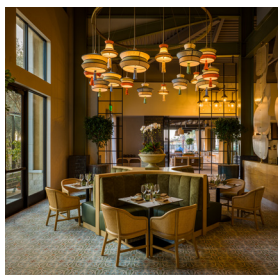

The Cove Bar & Grill

The Cove Bar & Grill at MarBrisa offers casual comfort where you can swim in two lagoon-style pools, water slide, pool deck games, firepit and enjoy California cuisine poolside. Sip seasonal local craft beers and signatures cocktails to help you relax and recharge during your stay.

20 | Twenty (760) 827-2500

Located at the adjacent Westin Resort and Spa, the restaurant offers cuisine with a global perspective with locally sourced seasonal ingredients from farms around Southern California. The Culinary team elevates simple classics that are sure to please you at every bite. Try a hand crafted cocktail or a glass of wine to complete the meal.

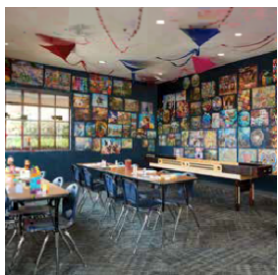

Verise (760) 827-2514

Located at Hotel Solea, Verise features modern Italian cuisine inspired by seasonal ingredients. Enjoy handcrafted pastas, wood-fired pizzas, and fresh coastal flavors in a warm, inviting setting.

Ocean Pearl Spa (760) 827-2700

Located at the adjacent Westin Resort and Spa, the spa incorporates marine-based botanicals and skincare products for body treatments that nourish, purify and restore. Spa guests receive private lockers, plush robes, spa sandals, and access to eucalyptus steam room, showers, and relaxation lounge. In addition, spa guests will have complimentary access to the fitness center, heated pool, and relaxing Jacuzzi.

Imagination Station

Located in MarBrisa's Pointe neighborhood, this activity center includes family-friendly games, puzzles, drawing stations, and more. You can also choose your own arts & crafts activity, ranging from piggy bank decorating to canvas painting, once you arrive.

Farmers Markets

Sample farm fresh produce from regional farmers and tasty treats from local artisans.
