MARBRISA

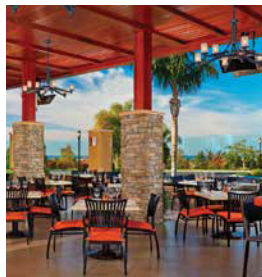

ELEVATED EXPERIENCES

Go above and beyond the theme parks, beaches and coastal scenery of Carlsbad. You can dine, explore, play and create on our 56-acre resort campus and at adjacent attractions. We've put together a few of our favorite activities to make the most of your time.

The Cove Bar & Grill

The Cove Bar & Grill at MarBrisa offers luxurious comfort where you can swim in two lagoon-style pools, water slide, pool deck games, firepit and enjoy California casual cuisine poolside. Sip seasonal local craft beers and signatures cocktails to help you relax and recharge during your stay.

20 | Twenty

Located at the adjacent Westin Resort and Spa, the restaurant offers cuisine with a global perspective with locally sourced seasonal ingredients from farms around Southern California. The Culinary team elevates simple classics that are sure to please you at every bite. Try a hand crafted cocktail or a glass of wine to complete the meal.

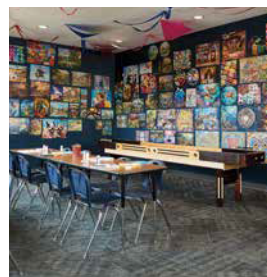

7 Mile Kitchen

Located at the adjacent Sheraton Resort, welcomes families and friends to the 7-Mile Kitchen where comfort classic takes center stage. Wood fired pizza and gourmet burgers are crafted to perfection with curated selection of San Diego's favorite brews.

Ocean Pearl Spa

Located at the adjacent Westin Resort and Spa, the spa incorporates marine-based botanicals and skincare products for body treatments that nourish, purify and restore. Spa guests receive private lockers, plush robes, spa sandals, and access to eucalyptus steam room, showers, and relaxation lounge. In addition, spa guests will have complimentary access to the fitness center, heated pool, and relaxing Jacuzzi.

Imagination Station

Located in MarBrisa's Pointe neighborhood, this activity center includes family-friendly games, puzzles, drawing stations, and more. You can also choose your own arts & crafts activity, ranging from piggy bank decorating to canvas painting, once you arrive.

Ask the Director of FUN

Looking for the hidden treasures of Carlsbad, seek an expert. Joela Calhoun, MarBrisa's own Director of Fun and Engagement offers a wealth of knowledge to activities and events that are unique to Southern California. She would be happy to provide suggestions on activities that enrich and enhance the vacation experience.

MARBRISA ANYTIME FUN!

For our littlest Guests, we offer fun activities available around the clock, to help fill downtime, or provide parents a little break for themselves.

Jigsaw Puzzles

Choose from a variety of jigsaw puzzles that can be completed in the comfort of your room. If you wish to bring them home, our activities team can prep them for travel or add the jig saw puzzles to the puzzle wall at Imagination Station.
