

How To Book A Perfect Stay At MarBrisa, a Hilton Grand Vacations Club

We offer a wide selection of accommodation types to suit your vacation style. This step-by-step guide will help you plan a comfortable and relaxing stay everyone can enjoy.

1. Determine how many points are available for your stay.
2. Check the season and weekday columns to determine the points needed for your travel dates.
3. Choose your preferred neighborhood. Please refer to the charts when choosing Cove or Pointe. Note that units are exclusive to their neighborhood.
4. Decide on a unit size and layout. If you prefer specific Villas, ensure the Villa number is an option for your chosen unit type.

Should you need to change your unit type after booking, please contact the Club at **800-932-4482**.

Resort Team Members are unable to make unit changes but can assist with location questions within your booked neighborhood. If you'd like a specific spot, email your request to **myrequest@gpresorts.com** ahead of your booking, and we'll do our best to accommodate you.

If you travel with others and want to stay in units close together, ensure each stay is booked within the same Villa or neighborhood.

Select thoughtfully, book early and let us know your preferences promptly for first-come, first-served pre-assignments.
