The telephone numbers for the Club are:

(800) 932-4482	From the U.S. and Canada

The sole member of HGVC is Hilton Resorts Corporation (“**HRC**”), a Delaware corporation, whose parent company is Hilton Grand Vacations Inc., a publicly traded Delaware corporation.

HGVC has no beneficial interest in sellers, developers, or the management company of the properties listed in Articles VII and VIII; however, from time to time individuals who serve as officers and/or directors of HGVC may also serve as officers and/or directors of HRC Islander, HRC, Kuponno Partners LLC, BRE Grand Islander LLC, HGV Barbados, HGV Florida, and HGV Japan, which are developers of certain properties listed in Articles VII and VIII and identified with an asterisk (*).

II. SCOPE OF DISCLOSURE STATEMENT

This Disclosure Statement is intended for use by Club Members who own one or more Home Weeks at Affiliated Resorts.

III. DEFINITIONS

Certain terms used in this Disclosure Statement have a specialized meaning as defined below:

1. **Association** - The condominium or owners' association, or other entity, responsible for the operation of a particular Affiliated Resort.
2. **Affiliated Resort** – A resort property (or portion thereof) approved by HGVC to be affiliated with and a part of the Club through a contractual arrangement between HGVC and the developer and/or Association. Affiliated Resorts include Club Resorts and Club Eligible Resorts.
3. **Club** or **Hilton Grand Vacations Club Program** - The service name given to the variety of exchange and reservations services and vacation and travel benefits currently offered and the limitations currently imposed by

HGVC. These services include the operation of the exchange program and reservation system, through which Club Members reserve the use of accommodations at Affiliated Resorts, pursuant to the priorities, restrictions and limitations set forth in the Club Rules. The Club is not a legal entity or association of any kind.

4. **Club Dues** - The costs and expenses of the Club assessable to each Club Membership account each calendar year.
5. **Club Eligible Resort** – A resort property for which HGVC has extended the option of becoming a Club Member in accordance with the terms and conditions of an agreement between HGVC and the Association and/or developer for such property and in accordance with the Club Enrollment Agreement. By electing to become a Club Member, an owner at a Club Eligible Resort subjects his Home Week to the terms and conditions of the Club, including the requirement to reserve the use of his Home Week through the Club. Because not all owners of Club Eligible Resorts will elect to become members of the Club, only a limited number of Vacation Time Periods at Club Eligible Resorts, if any, will be available from time to time for reservation by Club Members through the Club.
6. **Club Enrollment Agreement** - The agreement executed by an owner of a Vacation Time Period in a Club Eligible Resort accepted by HGVC pursuant to which such owner becomes a Club Member.
7. **Club Member** - A person who owns a vacation ownership interest at an Affiliated Resort enrolled in the Club program.
8. **ClubPoints** - The symbolic unit of use comparison assigned to a Home Week by HGVC.
9. **Club Rules** - The rules and regulations governing the Club program including the reservation of accommodations and other services and benefits available through the Club. The Club Rules are available to each Member via club.hiltongrandvacations.com and are attached hereto as Exhibit A.
10. **Club Resort** – A resort property for which membership in the Club is a condition of ownership of a vacation ownership interest therein.
11. **Hilton Honors™** - The vacation and travel benefits program created by Hilton Worldwide as more particularly set forth at HiltonHonors.com.
12. **Hilton Honors™ points** - The symbolic unit of use medium within Hilton Honors made available to all Club Members.
13. **Home Resort** – The Affiliated Resort property at which a Club Member owns a vacation ownership interest.
14. **Home Week Priority Reservation Window** - The period of time each calendar year, as determined by HGVC from time to time, during which a Club Member has the exclusive right to reserve the use of their Home Week through the Club without competing for such reservation with other Club Members other than those owning the same suite configuration type and Season at the same Home Resort. Club Members who own floating time or other flexible use ownership must still compete with the other owners of similar interests at the Home Resort to receive a Home Week reservation in accordance with the rules and regulations of that Resort's reservation system.
15. **Home Week** – A Club Member's ownership interest(s) in an accommodation at their Home Resort. For purposes of participation in the Club's reservation system, a Home Week consists of a consecutive day period in the accommodation type purchased at a Home Resort anytime during the calendar year during the Season in which the Club Member purchased checking in on the resort's standard check-in day. Club may make all reservations for Club Members who own at Affiliated Resorts for so long as such resorts remain Affiliated Resorts.
16. **Member Account** – A record for Club Member activity including the number of ClubPoints available for use by a Club Member in each calendar year and other transactions made within the Club.
17. **RCI®** - The trade-name for the external exchange company RCI, LLC

18. **RCI Exchange** - A reservation for accommodations at resorts affiliated with RCI through an arrangement between RCI and HGVC pursuant to which Club Members may access such resorts.
19. **Season** – The time each calendar year during which the owner may use a Home Week as set forth on the purchase agreement and deed for owner’s use rights.
20. **Special Exchange** - A reservation for accommodations at non-Affiliated Resorts made through the Special Exchange Program.
21. **Special Exchange Company** - Any exchange company or companies other than HGVC or RCI that provide exchange services to Club Members under a Special Exchange Program.
22. **Special Exchange Program** - The exchange agreement between HGVC and a Special Exchange Company pursuant to which Club Members access non-Affiliated Resorts.
23. **Vacation Time Period** - The period of time, in weekly increments (or more or less), in an accommodation at an Affiliated Resort subject to use reservation by a Club Member through the Club.

IV. MEMBERSHIP IN THE CLUB

Membership in the Club is appurtenant to a Club Member’s ownership interest in a Club Resort. When an ownership interest in a Club Resort is purchased, the owner automatically becomes a Club Member and upon payment of all necessary fees, the Club Member is entitled to full benefits of membership in the Club. Participation and use of Club benefits is voluntary as it concerns the exchange of accommodations outside a Club Member’s Home Week. However, Home Week reservations can only be made through the Club.

In the event a Club Member transfers their ownership interest at a Club Resort the owner will no longer be a Club Member and the new owner will automatically become a Club Member entitled to the use of the Club for reservations at their Home Resort. However, membership in Club is non-transferable without the express written consent of HGVC, and the ClubPoints attributable to an Ownership Interest in a Club Resort cannot be sold, assigned or conveyed separately from the ownership interest.

Membership in the Club is also available to owners at Club Eligible Resorts. Upon the execution of a Club Enrollment Agreement that is accepted by HGVC, payment of all necessary fees, and confirmation that the owner has a Home Week at a Club Eligible Resort, the Club Member is entitled to full benefits of membership in the Club. By execution of the Club Enrollment Agreement, Club Members acknowledge that membership in the Club cannot be transferred, sold or assigned. The Club Enrollment Agreement with HGVC is a separate and distinct contract from any contract with any Association or developer or seller of a vacation ownership or vacation membership plan.

Any owner of a Home Week at an Affiliated Resort who is a member in good standing of the Association at his Home Resort, and who is not delinquent in the payment of any Club Dues, maintenance fees, assessments, taxes, mortgage payments, or other properly owing amounts associated with his Home Week or membership in the Club, may participate in the Club. Notwithstanding the forgoing, HGVC reserves the right to restrict accommodation access to any persons; however, the Club has no obligation, duty or other requirement to screen or otherwise confirm the status of guests or prospective guests. Additionally, the Club may contact the Association to determine if the Club Member is in good standing prior to issuing a reservation confirmation.

Use of Club membership for commercial purposes or for any purpose other than the personal vacation use of the Club Member or his authorized guests as described in this Disclosure Statement is expressly prohibited. A Club Member that is a business entity must designate an individual within the entity who will have responsibility for communicating with the Club and for any matters pertaining to the related Member Account.

HGVC RESERVES THE RIGHT TO SUSPEND OR TERMINATE PARTICIPATION OF AN AFFILIATED RESORT IN THE CLUB IF THE AFFILIATED RESORT FAILS TO MAINTAIN AND MANAGE THE ACCOMMODATIONS AND FACILITIES OF THE AFFILIATED RESORT AT THE LEVEL OF QUALITY AND

CUSTOMER SERVICE ESTABLISHED BY HGVC FOR ALL AFFILIATED RESORTS FROM TIME TO TIME. AN AFFILIATED RESORT'S RELATIONSHIP WITH THE CLUB MAY ALSO BE TERMINATED OR SUSPENDED IF THE ASSOCIATION FILES BANKRUPTCY OR BECOMES INSOLVENT. HGVC SHALL NOT HAVE THE RIGHT TO TERMINATE THE AFFILIATION OF A CLUB RESORT DURING THE FIRST FIVE YEAR'S OF OPERATION OR SO LONG AS THE DEVELOPER OF A CLUB RESORT CONTROLS THE OWNERS ASSOCIATION OF THE PROJECT, AS SET OUT IN THE GOVERNING DOCUMENTS FOR THE CLUB RESORT.

In the event of suspension or termination of an Affiliated Resort, no further reservation requests originating from Club Members at such Affiliated Resort will be accepted until such time, if ever, that the Affiliated Resort's participation in the Club is reinstated. HGVC will honor all reservation confirmations secured by Club Members with a start date occurring prior to suspension or termination of an Affiliated Resort. However, HGVC may suspend or terminate a confirmed reservation wherein the start date occurs after the effective date of such termination or suspension.

V. CLUB PROCEDURES AND OBLIGATIONS

ClubPoint Assignment. For so long as a resort remains an Affiliated Resort, a Club Member shall be allocated a number of ClubPoints representing the reservation power of the Club Member's applicable Home Week in relation to other Home Weeks currently existing in the Club. Club Members who own biennial Home Weeks are allocated ClubPoints for use every other calendar year. Assigned ClubPoints must be utilized by Club Members to reserve their Home Week or to make other reservations or exchanges available in the Club.

The amount of ClubPoints assigned to the reserved Home Week depends upon such factors as the applicable Affiliated Resort location, accommodation type and the Season during which the Home Week occurs, as set forth in the current ClubPoint chart contained in the Club Rules attached hereto as Exhibit "A". HGVC reserves the right to revise the ClubPoint assignments and Club Rules for reservations made within the Club from time to time and without Club Member consent. However, a Club Member's ability to reserve his Home Week will not be affected. Assigned ClubPoints are automatically deposited into the Member Account and are valid for immediate use upon allocation in accordance with the Club Rules.

Reservation Priorities. All reservations and use of ClubPoints must be in accordance with the Club Rules attached hereto as Exhibit "A". Reservation requests are satisfied on a first come, first served basis. The earlier a reservation request is submitted, the better the chance that a reservation confirmation can be secured. If a requested Vacation Time Period is available, the reservation will be made and a reservation confirmation shall be issued to the Club Member. There is no assurance that confirmation of any specific Vacation Time Period at any specific Affiliated Resort may be made since availability will vary. In the event a reservation request is not confirmed, the Club Member requesting the reservation will not be assigned a substitute Vacation Time Period for use. Each Club Member shall have the sole and exclusive responsibility to make beneficial use of his ClubPoints and to make a new reservation request in the event his original reservation request is not confirmed.

Home Week Reservations. If a Club Member reserves their Home Week, all ClubPoints assigned to the Member's account for that Home Week for that calendar year will be used. Club Members relinquish their priority right to reserve their Home Week whenever they fail to specifically reserve their Home Week during the Home Week Reservation Window or make any use of the ClubPoints attributable to their Home Week for that calendar year for any purpose other than a Home Week reservation. Also, whenever a Club Member borrows any ClubPoints from the next calendar year for use in the current year, his Home Week priority rights for the next calendar year will automatically be relinquished. Certain Members shall automatically have their Home Week reserved without any action by the Member and will be sent a written confirmation. If such Members desire to use any other vacation option(s) available through the Club, in accordance with the procedures applicable to all other Club Members, such Member must contact the Club and cancel their Home Week reservation in order to make a reservation through the Club. In such event, the Vacation Time Periods associated with the canceled Home Week reservation will then become Club inventory available for use by other Club Members.

Limits on Use. Use of ClubPoints, exchange privileges, Hilton Honors points and other related Club services may be suspended or restricted by HGVC if all applicable reservation fees, Club Dues, mortgage payments, Home Resort maintenance fees and taxes, or any other amounts properly due and owing to the Association, HGVC, or its affiliated entities are not current through the current year. ClubPoints are non-transferable. Reservation requests may be subject to HGVC's right to reserve accommodations for its own purposes including for exchange, inspection visits, promotions, rentals or any

other purpose at HGVC’s discretion which remain unreserved thirty (30) days or less prior to the commencement of the Vacation Time Period. Additionally, when a Member exchanges their ClubPoints for benefits or services other than Affiliated Resort accommodations, such as ClubPartner Perk reservations or Honors points, HGVC must pay the third party for the Member’s use thereof. As such, HGVC, in its sole discretion, may rent or otherwise use the accommodations relinquished by that Member or other unused inventory to cover the cost of such third-party benefits and services.

Expiration of ClubPoints. In the event a Club Member fails to use any or all of their ClubPoints before expiration, the ClubPoints will expire and will not be available for use in succeeding years. The Member shall have no reservation, exchange, reinstatement or other point stretching options rights for any or all expired ClubPoints. Members may elect to save Points on an annual basis as explained in the Club Rules. HGVC is not liable to Club Members who fail to make beneficial use of their ClubPoints or fail to receive a specific desired reservation confirmation.

RCI Privileges. Membership in the Club allows Club Members the option to participate in the RCI, LLC (“RCI”) exchange program through the corporate affiliation of Hilton Grand Vacations Club, LLC, and its affiliates. As a result, HGVC submits to RCI, on the Club Members’ behalf, vacation requests for exchanges to RCI resorts.

VI. FEES

Club Dues. An annual Club Dues expense, currently in the amount set forth in the Club Rules, is due and payable to HGVC by all Club Members. Club Members who own a Home Week at a Club Eligible Resort are required to pay a nonrefundable enrollment fee and Club Dues upon the execution of the Club Enrollment Agreement. Club Members whose principal residence is located outside the United States or Canada will pay a proportionately higher annual Club Dues expense due to the significantly increased costs incurred in providing certain specialized materials and services in the foreign market. Each Club Membership account shall be liable for one annual Club Dues expense regardless of the number of Home Weeks owned at a one or more Affiliated Resorts. Pursuant to the particular Club Resort’s governing documents, each individual Club Member’s share of the Club Dues will be billed by the Association as part of, or in conjunction with, the Club Member’s annual maintenance fees. Members at Club Eligible Resorts may be billed directly by the Club for their share of Club Dues. A Club Membership account for a Club Member who owns a biennial Home Week shall be responsible for one full annual Club Dues expense each calendar year regardless of the manner in which such Club Member is obligated to pay maintenance fees, taxes and other assessments pursuant to the documents governing the Club Member’s Home Resort. The Association of each Club Resort and Club Members at Club Eligible Resorts shall pay the Club Dues to HGVC on or before February 28th each year. The amount of annual Club Dues is subject to change from time to time in HGVC’s sole discretion.

Reservation Fees. Reservation fees and other applicable transaction fees are set forth in the Club Rules, a copy of which is attached at Exhibit “A”. No reservation fee is charged to a Club Member who reserves their Home Week. However, a reservation fee is charged for each non-Home Week reservation confirmation. HGVC reserves the right to increase its reservation fees (as well as other transaction fees) from time to time and without Club Member consent, but any increase will only apply to those requests received after the increase becomes effective.

Hilton Grand Vacations Club Rules Effective July 8, 2025

Hilton Grand Vacations Club Rules

Effective July, 2025

Each owner of an ownership interest at a Club Resort is also a member (“**Member**”) of the Hilton Grand Vacations Club (also referred to as “HGVClub”). Club Resorts means those resorts for which membership in HGVClub is a condition of ownership. The Club Resort at which a Member owns an ownership interest is known as that Member’s “**Home Resort**.”

Each year Members receive an allotment of ClubPoints symbolic of the reservation rights of the vacation ownership interest(s) owned in the HGVClub program. Members who own biennial interests receive an annual allotment of ClubPoints every other year. The number of allotted ClubPoints is based upon the Home Week owned considering the particular resort, season and unit type owned. Assigned ClubPoints are automatically deposited into a Member’s account and utilized to make reservations in accordance with the rules herein. If a Member does not use allotted ClubPoints during a given year, they shall expire at the end of the year.

Reservation requests are processed on a first-come/first-served basis. HGVClub cannot guarantee that a specific reservation request will be confirmed; however, the earlier a reservation request is submitted, the better the chance that the preferred reservation may be confirmed. The best results are achieved by making reservations as far in advance as the reservation windows allow. Flexibility with travel dates and destinations will also impact the success of travel planning. See Appendix 2 to determine how many ClubPoints are required to make a reservation at any particular Hilton Grand Vacations Club resort.

Members eligible to receive HGV Max benefits are referred to as “HGV Max Members”. Persons may become HGV Max members as described below:

- i. *Initial Membership* - Persons who purchase an ownership interest at a Hilton Grand Vacations resort from an HGV Max authorized sales center and join Hilton Grand Vacations Club after launch of HGV Max shall automatically receive HGV Max benefits.
- ii. *Additional Purchase* – Persons who were Hilton Grand Vacations Club Members prior to the launch of HGV Max and upgrade their Hilton Grand Vacations ownership interest or otherwise purchase an additional Hilton Grand Vacations ownership interest after the launch shall automatically receive HGV Max benefits.

Members who obtain HGV Max benefits by means of an additional purchase as described in item ii above, shall be grandfathered into certain HGVClub benefits and programs and may be referred to as “HGV Max Legacy Members”.

Members who do not qualify for HGV Max benefits may be referred to as “HGVClub Legacy Members”

HGV Max Members, HGV Max Legacy Members, HGVClub Legacy Members are all “Members”.

Unless a Guest Certificate is obtained, all reservations shall be in the name of the Member and the Member must check-in and be an occupant during the reserved stay. Guest Certificates are available for Home Week, Home Resort Priority, Hilton Club Priority, Club and HGV Max reservations only. Guest Certificates are not permitted for Open Season rental reservations. Members found to be utilizing exchange reservations for commercial or residential purposes may be denied privileges. Guest Certificates are subject to fees as set forth in the Club Fee Schedule at club.hiltongrandvacations.com.

TRAVEL

Resort Reservations at Club Resorts

There are six types of resort reservations within HGVClub:

Home Week reservations are consecutive night reservations at the Home Resort in the season and unit type owned, for the number of days owned, checking in on the resort's standard or available check-in day ("**Home Week**"). Members have a priority reservation period to reserve their Home Week during the "Home Week Priority Reservation Window" without competing for such reservation with other Members other than those owning the same suite configuration and season at the same resort. This window lasts approximately 90 days beginning one year (365 days) prior to the desired check-in date and ending nine months (276 days) in advance of the desired check-in date.

After the Home Week Priority Reservation Window ends, Members will no longer have an exclusive window to book their Home Week, however, they may still make a Home Week reservation, subject to availability.

The Home Week Priority Reservation Window for Hokulani Waikiki, a Hilton Grand Vacations Club (also known as BW Vacation Suites) and The Grand Islander, a Hilton Grand Vacations Club (also known as GI Vacation Suites) lasts six months (186 days) beginning one year (365 days) prior to the start day of the desired check-in and ending six months in advance of the desired check-in date.

Reservations may only be made during the Home Week Priority Reservation Window using the current-year ClubPoints associated with the specific ownership interest. When a Home Week reservation is confirmed, the entire annual allotment of ClubPoints assigned to the Member for that ownership interest is used. Home Week Priority Reservation Windows may be extended during the first year that a resort is available for occupancy through HGVClub.

Members who own a designated fixed or event week shall automatically have their week reserved annually. In order to use a fixed or event week for other vacation options available, the Member may visit the website at club.hiltongrandvacations.com or contact HGVClub to cancel the automatic reservation. If ClubPoints are borrowed against a fixed or event week, the Home Week reservation rights appurtenant thereto are relinquished and no automatic reservation will be made.

Home Resort Priority reservations are made at a Member's Home Resort in any unit type available subject to Member ClubPoint availability, minimum booking requirements and accommodation availability. During the Home Resort Priority Reservation Window, Members will only compete for reservations with other owners at that resort. After the Home Resort Priority window ends, Members may still make Home Resort reservations subject to availability. Home Resort Priority reservations may only be made using ClubPoints associated with the specific ownership interest at that resort.

Home Resort Priority reservations are only available to owners at these select resorts:

Resort	Home Resort Priority window
<ul style="list-style-type: none">West 57th Street, a Hilton Club (also known as 57th Street Vacation Suites)	Begins 9 months (276 days) prior to the check-out date and ends 60 days in advance of the check-out date.

<ul style="list-style-type: none"> • The Residences, a Hilton Club (also known as HC Suites) 	<p>Begins 9 months (276 days) prior to the check-out date and ends 105 days prior to the check-out date.</p>

<ul style="list-style-type: none"> • The Quin a Hilton Club (also known as Central Park Vacation Suites) 	

Home Resort Priority reservations may be offered at additional resorts in the future or during the first year that a resort is available for occupancy through HGVCclub. Home Resort Priority Windows may change from time to time.

Hilton Club Priority exchange is a reciprocal priority exchange window where owners at select “Hilton Club” branded properties may exchange into each other’s property during a fifteen (15) day reciprocal exchange window without competing with Members who do not own an interest at those resorts. Hilton Club Priority exchange reservations may only be made using ClubPoints. The time period of The Hilton Club reciprocal priority window is subject to change or adjustment based on user demand. After the Hilton Club Priority window ends, Members may still make a Hilton Club Priority reservation, subject to availability.

In the event accommodations become unavailable during a stay or in connection with a future reservation due to a natural disaster, act of God, war, terrorism, civil unrest, pandemic or any other event beyond the control of Hilton Grand Vacations, neither Hilton Grand Vacations nor its affiliates shall be liable for any resulting cancellations, evacuations or loss of services. All reservations shall be subject to the cancellation policy and alternative accommodations may not be available. Non-resident guests visiting a Member or guest on property during a such Member or guests’ reserved stay must register with the resort check-in desk. If a Member cannot comply with restrictions established by a resort for which the Member has a confirmed reservation, the Member is responsible for contacting the resort to request special arrangements, if available. However, resorts have no obligation to accommodate special requests. No more than twenty-nine (29) consecutive nights may be booked in the same accommodations. Members requesting reservations at their Home Resort may receive priority through advance booking windows over other Members who do not own at that resort.

Occupancy Restrictions. Each resort establishes occupancy restrictions for specific accommodations. Information concerning the recommended and maximum number of occupants per unit type, available check-in days and restrictions on the minimum number of nights per reservation is available at club.hiltongrandvacations.com. Failure to abide by occupancy restrictions may result in additional charges or denial of access. Except as may be permitted for Bay Forest Odawara, a Hilton Club, no pets are allowed at Affiliated Resorts managed by Hilton Grand Vacations Management, LLC. However, service animals, subject to applicable law, are permitted in all Affiliated Resorts managed by Hilton Grand Vacations Management, LLC, except Hilton Grand Vacations at the Crane. Affiliated Resorts are private property. ADDITIONAL TERMS

Affiliated Resorts. Affiliated Resorts include Club Resorts and Club Eligible Resorts approved by Hilton Grand Vacations to be a part of HGVClub. Club Eligible Resorts are those resorts for which HGVClub offers owners the option of becoming a Member in accordance with the Club Enrollment Agreement. Club Resorts are those resorts developed, marketed or sold by Hilton Grand Vacations or one of its affiliates in which membership in HGVClub is a condition of ownership.

Membership Qualification. Membership must be in the name of a lawful owner of the vacation ownership interest. Ownership is evidenced by a deed or valid membership certificate or similar certificate as acceptable to HGVClub. Persons who do not provide information necessary to record their deed may not be granted membership or may otherwise have membership suspended.

Select accounts may be permitted to appoint non-owners as “Additional Members”. Such appointment may only be made in writing by the owner and if owned by more than one owner, by all owners. In making such appointment the owner shall grant, such Additional Members full access and authority to the Member account with equal access to the entire account and may utilize the Member account and all ownership interests on such account to confirm, change or cancel transactions, review any information on the account, including financial information or transaction history or change any contact information or security information. Members who share ownership of more than one interval may combine their membership account into one account so long as there is a common thread of ownership for the affected intervals. Joined accounts may qualify for Elite benefits, if offered, if the common thread of ownership is among parents and their children or grandparents and their grandchildren. Joined accounts shall qualify for only one related Hilton Honors account.

Any corporation, partnership, trust or other entity or organization holding title to a vacation ownership interest shall be required to designate an authorized natural person (whether one or more) to act on its behalf as the exclusive beneficiary to exercise any and all rights of membership. Membership shall automatically terminate if a Member no longer owns a vacation ownership interest at an Affiliated Resort or if the resort in which a Member owns, is no longer contractually affiliated with HGVClub.

Once HGVClub membership is terminated, benefits and privileges of membership automatically and immediately cease. If a Member transfers or sells their vacation ownership interest, the new purchaser must provide HGVClub a copy of the recorded deed evidencing the new owner and applicable transfer fees to participate in the HGVClub.

Persons acquiring a vacation ownership interest constituting an estate for years with an original term of less than twenty-five years from anyone other than Hilton Grand Vacations are not eligible for any benefits of HGVClub membership and may only request a reservation at their Home Resort, provided such restriction shall not apply to any person acquiring such interest through inheritance or gift from an immediate family member.

HGVClub Benefits and Account Access. Membership benefits and account access are only for the benefit of qualifying Club Members who own a vacation ownership interest at an Affiliated Resort. Hilton Grand Vacations reserves the right to refuse account access to third parties not listed as owners on the account. Members may be asked to answer security questions or otherwise verify identity prior to servicing. Members are responsible for the activity that occurs on their account and must keep their account access information secure.

Reservations booked through third party exchange, travel holiday clubs or any third-party rental or exchange site not affiliated with Hilton Grand Vacations, including but not limited to AirBnB, VRBO, HomeAway, eBay, Craigslist, or similar may be denied by Hilton Grand Vacations, in its sole discretion.

Hilton Grand Vacations is not responsible for any loss, claim, demand or other injury, including, but not limited to, disclosure of private information, loss of rental proceeds, fraud, performance or non-performance of any transactions, or misapplication of funds, refunds, or credits, arising out of or related to the use of a Member account or reservation at an Affiliated Resort by any third party, including any third-party rental or exchange program not affiliated with HGVClub, any designated or authorized user, authorized, permitted or provided access to the account by the Member, including any use rights granted through corporate, partnership, trust or other entity or organizations holding membership. Hilton Grand Vacations has no obligation to provide services or benefits to a Member's guests or third parties for whom the Member has provided access to their account.

Voluntary Participation. Participation and use of HGVClub benefits is voluntary as it concerns the exchange of accommodations outside a Member's Home Week. However, reservations of a Home Week can only be made through the HGVClub.

Bonus Points. From time to time, Members may have the opportunity to receive and redeem promotional points referred to as "Bonus Points" or "HSV" Bonus Points. Such Bonus Points may be used:

- to make reservations during the Home Resort Priority, and Club Reservation windows at Affiliated resorts
- for RCI Exchange reservations or other third-party exchange programs affiliated with the HGVClub from time to time
- for Travel Services (such as cruises and other travel partner options)
- for HGV Max Members to make HGV Max reservations
- for conversion to Hilton Honors points at a ratio of 1 Bonus Point to 16 Hilton Honors points
- for various other options such as shopping certificates offered from time to time
- as a credit toward maintenance fees owed
- HSV Bonus Points may be used toward HGV Signature Vacations

Bonus Points used toward maintenance fee payments are limited to the amount due only. Credits toward future maintenance fee payments are not permitted. Member remains responsible for payment of any portion of the maintenance fee not paid by the Bonus Points.

Bonus Points cannot be transferred or assigned and cannot be borrowed or saved into next year's account. Bonus Points cannot be used to reserve accommodations during Home Week or Home Week Priority Reservation windows. Bonus Points cannot be combined with ClubPoints for any reservations other than Travel Services reservations. Cancellation protection is not available for any reservations using Bonus Points and such reservations are non-changeable. Bonus Point reservations canceled after the expiration date of the Bonus Points result in 100% forfeiture of applied Bonus Points.

HGV Signature Vacation reservations using HSV Bonus Points are final transactions and may not be changed, cancelled, or transferred. A reservation fee applies. Flights must originate and return to the same major airport. Any transportation air, cruise etc., will only be booked on lowest fare available. Reservations not permitted 5 days before and after major holidays.

Bonus Points have no redemption cash value, but when using Bonus Points toward maintenance fees, 4,000 Bonus Points are equivalent to approximately \$250 and are only calculated in U.S. Dollars. When using Bonus Points for exchanges, each Bonus Point is equivalent to approximately one ClubPoint.

Redemption or conversion of Bonus Points may require a fee. Bonus Points may not be used to pay reservation or transaction fees.

Any unused Bonus Points expire two (2) years from the date of issuance (or earlier for select promotions) and cannot be reinstated once expired. If a Member sells or transfers their timeshare interest and their Club membership terminates, unused Bonus Points shall automatically expire.

Bonus Point usage may be subject to additional terms and conditions. Available Bonus Point redemptions, rewards, and terms and conditions may change from time to time.

Program Changes. HGVClub program use options, fees and rules, including but not limited to, the RCI Exchange Program, special exchanges, nightly point values, reservation windows, the Hilton Honors program, Saving, RCI Depositing, borrowing, converting, and Travel Services that may be offered from time to time, are subject to change, adjustment, suspension or discontinuation without notice. Any such changes may or may not apply to transactions confirmed prior to the effective date of any such change. In the event the point values for accommodations are adjusted, such adjustments shall not disturb the one-to-one purchaser to accommodation ratio, or a HGVClub Member's ability to reserve their Home Week. Any benefits or services offered in conjunction with specific promotions or pilot programs are subject to the additional terms of such promotion or pilot program.

Loss or Suspension of Use. Use of ClubPoints, Bonus Points, external exchange privileges, Hilton Honors, Travel Services and other services and benefits offered through HGVClub, including occupancy or check-in at a resort, may be suspended or restricted if all applicable reservation fees, Club Dues, maintenance fees, mortgage payments, taxes or other charges or amounts properly due and owed to Hilton Grand Vacations or the applicable association or seller are not current, or if a Member violates these rules, the terms of their Club Enrollment Agreement or any rules of an Affiliated Resort. A Member's right to reserve their Home Week may not be limited for failure to pay Club Dues.

In the event an Affiliated Resort's participation in HGVClub is suspended or terminated, Members who own interests at such suspended or terminated resorts may have their membership suspended or terminated.

Hilton Grand Vacations strongly supports a harassment-free workplace. Abusive verbal or written communications from Members to our employees, or the employees of our subcontractors, agents or representatives will not be tolerated and may result in limitation or suspension of membership service privileges.

Additionally, when a Member exchanges their ClubPoints for benefits or services other than Affiliated Resort accommodations, such as Travel Services reservations or Hilton Honors points, Hilton Grand Vacations must pay the third party for the Member's use thereof. As such, Hilton Grand Vacations, in its sole discretion, may rent or otherwise use the accommodations relinquished by that Member or other unused inventory to cover the cost of

such third-party benefits and services. In renting accommodations as described herein, Hilton Grand Vacations may use historical reservation data for the property to forecast the accommodations projected to remain unused by Members or to be used by Members for other benefits and services requiring monetization by the Hilton Grand Vacations Club Program and rent such accommodations prior to the start of the Open Season reservation window in order to maximize occupancy levels at the property.

Additionally, inventory owned by a developer or an affiliated resort and not yet sold, may be made available for reservation by Members or used by the developer for any purpose including but not limited to, exchange, rental, Elite privileges and promotional purposes.

Ownership Changes. In the event a Member intends to change or transfer title to their ownership interest at a Club Resort, the owner should contact HGVClub for instructions on how to proceed as the transfer may be subject to a right of first refusal by the developer and may require completion of a resale acknowledgement form and/or an estoppel certificate, for a fee. Once legal title is transferred, HGVClub will require a copy of the newly recorded deed, if applicable, and payment of the applicable transfer fee to process the membership transfer.

Persons who acquire their ownership interest from the resale market may receive limited HGVClub benefits, including, but not limited to, restrictions on the ability to convert ClubPoints into Hilton Honors points on an every use year basis, automatic elevated Hilton Honors tier status, use of Open Season rental benefits or HGV Max tier benefit levels if permitted to join HGV Max. NOTE 1 - DESCRIPTION OF THE EXCHANGE PROGRAM

Hilton Grand Vacations Club, LLC d/b/a Hilton Grand Vacations Club ® (“HGVClub”) is a Delaware limited liability company formed on December 23, 1999, whose sole member is Hilton Resorts Corporation (“HRC”). Exchanges transacted between HGVClub members and RCI, under this agreement, are not included in the accompanying statements of key operating statistics, since HGVClub acts as a facilitator and the exchanges are executed by RCI.

NOTES TO STATEMENT OF KEY OPERATING STATISTICS
DECEMBER 31, 2024

Membership

Membership in HGVClub generally involves affiliation fees, annual club dues and reservation fees for each exchange.

Exchange Requests

All exchanges are based on space availability; therefore, HGVClub does not guarantee members will receive a specific exchange choice.

The statistics included in the statement of key operating statistics were computed using only the number of requests properly applied for in accordance with instructions furnished by HGVClub to members. A properly applied for request is one in which a member's home time-share interest is exchanged for a time-share interest at an affiliated resort.

Outstanding Obligation

If a member does not use their allotted points during a given year, the points expire at the end of that year. Points are not transferable except in connection with the transfer of underlying vacation ownership interest. Unused points expire at the end of the calendar year and are not available for us in succeeding years. On or before December 31st of the current year, members may "save" any of their remaining points from expiring by depositing their points into the following year's account. A fee applies to save points. On or before December 31st of the current year, members may also deposit current year points or previously saved points into the RCI Exchange Program for future weekly or nightly RCI Exchange reservations. RCI deposits are valid from the date of deposit through an additional two calendar years.

Since usage within HGVClub is based on points, the points are converted to estimated intervals based on the average number of points typically used by a member for a one-week stay booked during the year ended December 31, 2024.

NOTE 3 - AFFILIATION AGREEMENTS

All affiliation agreements are with developers or associations that are related parties via relationships with HRC. There are no affiliation agreements with the owners directly.
